

Barlow Youth Football Association

Dear Community Supporter:

The Barlow Youth Football Association is a non-profit organization that is run strictly by local volunteers who contribute their own time, resources & efforts. Guided by our volunteer coaches & support staff, our children learn valuable life lessons through football such as fundamentals of leadership, teamwork, discipline, developing character & self-respect.

Every year we are faced with costs that exceed our registration fees. The cost of registration materials, league fees (currently over \$1100.00 per team), insurance, uniforms, officials & replacing worn equipment are just a few items we must fund each year. Since our fees do not fully cover the actual cost of participation, it is necessary to raise additional funds.

Unfortunately, there are some families who cannot afford the entire fee to play football. Your donation will be used to help players who otherwise may not be able to play.

Please check all that apply.
